**4 PHOTO PLACEMENT ON DPS (DOUBLE-PAGE SPREAD)** /100 POINTS

---

**On time and thorough and strategic** photo placement to tell the story of the feature stories and they follow the color wheel theory learned early in the course. They are placed according to graphic design rules, e.g. action faces the gutter. **Notes:**

---

**5 CAPTION WRITING** /75 POINTS

---

**On time and thorough** captions follow journalistic rules, giving all necessary information in the photo. For example, first sentences are written in present tense and following sentences are in past tense. Captions follow the caption guidelines taught in the course. **Notes:**

---

**6 FEATURE WRITING** /100 POINTS

---

**On time and thorough** copy blocks on the DPS are written as features exemplifying the educational and entertaining aspects of the content delivered on the page. They are written following journalistic guidelines and further the theme established for the yearbook. **Notes:**

---

**7 PAGE LAYOUT** /100 POINTS

---

**On time and thorough** attention to the overall look, quality, design, and feel of the DPS is expressed visually and verbally in every aspect. Attention to detail is honored. **Notes:**
